

ADULT HANDBUILDING CHOICES

AT SANCTUARYSTUDIO

Thank you for choosing SanctuaryStudio!

Please note the name and number of your chosen project when booking for your session.

It is recommended to plan for a two hour visit- however you only pay for the time you use.

Some projects cost an extra flat fee per person, so please be sure to read descriptions carefully.

To add color, please plan for a second visit. Otherwise your work will be fired to a glazed white. Please expect 1-2 months before pottery will be ready for pickup.

1 - FLOWER DISH

A dish with layered petals formed inside of a bowl to create a rounded shape.

2 - SMALL WOVEN CLAY BASKET

Strips of clay are woven together to create a basket.

3 - DRAPPED FLOWER DISH

A small bowl with creased and folded edges with flowers as an accent along the edge.

4 - LACE DISH

Using a lace doily for texture, create a personalized plate!

5 - TURTLE DISH

A shallow dish molded and formed into a sea turtle.

6 - MONSTERA DELICIOSA DISH

A simple shallow dish cut and carved to look like a monstera leaf. Personalize with your name, a blossom or bug, or a favorite phrase.

7 - SPOON REST

Cut and stamp clay to create a mermaid tail and form it into a spoon rest.

8 - NAPKIN HOLDER

Cut and stamp clay to create a mermaid tail and form it into a napkin holder.

9 - FOLDED DISH

Cut from a template, you'll use various tools to create patterns on the clay. Then fold into a square dish.

The way you design and decorate is whatever you feel inspired to make it. So just be sure to come with some creativity and ideas in mind!

10 - CUSTOM MUG

Using a pre-made mug form, use a number of briefly demoed design techniques to customize a mug of your own.

The way you design and decorate is whatever you feel inspired to make it. So just be sure to come with some creativity and ideas in mind!

(+ \$10/per person)
