

CHILDREN'S HANDBUILDING CHOICES

AT SANCTUARYSTUDIO

Please choose from the below list of potential handbuilding projects for your class. Each project is numbered & named- please note the name and number of your chosen project when letting me know your choice for your session.

It is recommended to plan for a two hour visit- however you only pay for the time you use.

Some projects cost an extra flat fee per person (look for "+\$10 *per person*" below).

To add color, please plan for a second visit. Otherwise I will fire on a clear glaze, or leave it without glaze so that you can paint with acrylic paint at home.

1 - TIC-TAC-TOE

Design your own themed tic-tac-toe board. Customize the board and the X & O pieces to create a personalized game!

2 - STANDING ANIMAL DISH

A pinch pot bowl with a head, legs or feet added to bring it to life. Make the animal or creature of your choosing!

RECOMMEND
10 YRS
& OLDER

3 - TOAD ABODE

Make a frog house for your flower garden using the simple coil building technique, then decorate the outside of your toad house to make it something really unique!

4 - PET CUP

Make a pinch pot cup that looks like your cat or dog with cute ears that stick up!

5 - PET PLATE

Make a slab pot plate that looks like your family cat or dog! Use the ears as little sauce cups! You can add color to this project in the same session if time permits.

6 - HANGING NAME SIGN

Make a personalized name sign for your room with each letter in a different design. Embellish your sign with clay cut-outs that you can make using a large set of mini cutters.

RECOMMEND
10 YRS
& OLDER

7 - FAMILY HANDPRINT BOWL

Bring the whole family! Each family member will trace and cut out their handprint, then add some personalization. Your group can choose to layer everyone's hands together (pictured) to create a combined bowl form, or to keep the hands separate to create a hand bowl set.

SUITABLE
FOR SMALL
CHILDREN

8 - LIDDED FAIRY MUSHROOM HOUSE

Using a pre-made form, design a whimsical fairy house created with a variety of modeling and handbuilding techniques.

(+ \$10/per person)

RECOMMEND
10 YRS
& OLDER

9 - MONSTER CUPS

Using a pre-made cup form, transform it into a silly or scary monster!

(+ \$10/per person)
